

15th Annual Research Day Student Poster Competition

Thursday 7 March 2024 at Alfaisal University

It is our pleasure to announce the Annual Research Day-Student Poster Competition of Alfaisal University. One of Alfaisal University's priorities is competence building by helping to develop a student's intellectual abilities through involvement in focused research that address strategic problems of concern to the country and the region. The "Research Day" is being held to strengthen the vision that research is indeed one of the missions of Alfaisal University. Students may present their summer research activities/ proposals/ future programs. To register please use the on-line application form (<https://research.alfaisal.edu/poster-comp>). The online system will automatically send you a poster code to the email address of the corresponding student author. This code must be placed on your poster in the upper RHS in the place indicated.

All posters must be physically put up in the Venue (i.e., 1st floor hallways) one week before the competition and only on the white board containing your specific poster code.
