

9th Annual Research Day
Student Poster Competition
Thursday 8 March 2018 at Alfaisal University

It is our pleasure to announce the eighth Annual Research Day- Student Poster Competition of Alfaisal University. One of Alfaisal University's priorities is competence building by helping to develop a student's intellectual abilities through involvement in focused research that address strategic problems of concern to the country and the region. The "Research Day" is being held to strengthen the vision that research is indeed one of the missions of Alfaisal University. Students may present their summer research activities/proposals/future programs.
